Registration forms are mailed the first weekend in March to prepare for the coming year. Weekly notices will be placed in the bulletin of upcoming registration. Registration should be returned to the Religious Ed. Director via mail, the collection basket, or in person. Continuous attendance in the program is essential. Failure to show and to communicate absences many result in dismissal from the program.

SNOW POLICY

When inclement weather prevents holding regularly scheduled classes, announcement will be made at the public schools that classes are cancelled. In the event that public school classes are dismissed due to bad weather, Religious Education Classes will follow the public school directives.

POLICY FOR CHILD SAFETY

Parents, please help us insure your child's safety arriving and departing school. Students in grades 1-6 arrive at school at 3:00pm approximately, help is needed to watch them on the playground until 3:25p. Students need to be picked up at 4:40p sharp unless other arrangements are made. **STUDENTS IN GRADES 1 & 2 MUST BE PICKED UP IN THEIR CLASSROOM BY THEIR PARENTS.** Other children are to wait in the entrance of school for pickup unless they have parents permission to walk home. Students in grades 7-12 come on Wed. evening and asked not to arrive before 6:15pm. WE have hall monitors (you can volunteer) and gym monitors to watch the students at this time until class begins.

TRANSPORTATION

The only transportation to St. Joseph for Religious Education is for Malone Elementary School Students. They are bused to St. Joseph at 3pm on Religious Ed. days. It is the parent's responsibility to pick them up at the close of the session at 4:40 pm.

STUDENT SUPPLIES

The student's tuition fee helps to cover the cost of all classroom supplies and texts. Elementary students are given a folder as well as a textbook, which is used in class, has tear out lessons to take home, and is theirs at the end of the year. They are responsible for taking home and returning assignments. All other supplies; paper, pencils, crayons, scissors,etc., will be provided. Any student losing their textbook will be provided with another at the cost of another book. Tuition does not cover all supply needs and the balance is subsidized by the Parish.

ARRIVAL AND DEPARTURE

As described in Transportation, students are to be picked up in the front of the building following both afternoon and evening classes. Please exercise safety as the area becomes very congested when everyone is coming at the same time.

TARDINESS creates disruption for the rest of the class. Please have **STUDENTS ARRIVE ON TIME, AT LEAST 5 MN. PRIOR TO CLASS.** If a student is tardy, he or she must report to the office before going to the classroom. Please be prompt in picking up your children. Be sure younger children have clear directions as to pick up and emergencies. Instruct small children to come to the office if they cannot find their parent or ride and they will be given assistance. Warn children not under any circumstances to walk home if that is your desire.

SERVICE

Students and parents are to be mindful of being of service to others, the parish community, as well as the community they live in. Grades 7-10 are asked to do at least 6 service hours each year as part of their faith sharing. Students not getting 6 hours of service will not be promoted to the next grade, as this is a vital part of their faith growth. Parents are encouraged to be an example to them by being involved in the many parish ministries or organizations. Your interest shows you hold your faith important in your life and you want it to be important in their life as well. **STUDENTS IN CONFIRMATION ARE TO GET 6 HOURS OF MINISTRY SERVICE AS WELL AS AT LEAST 3 HOURS OF PARISH SERVICE TO FALL FESTIVAL WITH TOTAL FAMILY INVOLVEMENT ON THEIR PART.**

DISCIPLINE (One rule, follow the rules)

The Religious Education program works with the support of volunteers, students, parents, and the 4 R's.

- **RELATIONSHIPS-** Building new friendships, interaction in class, appreciating differences in each other, resolving conflict in with teachers, parents, peers, and family.
- **REVERENCE-** Focusing on prayer both formal prayer and the liturgy of the Mass, giving ones self a chance to open our hearts and minds to develop a relationship with Jesus.
- **RESPECT-** For ourselves & for classmates, being quiet and listening to one-another. Respect for teachers, guests, priests, religious, for parents and for family members.
- **RESPONSIBILITY-** Taking care of the facilities we are using, respect for other peoples property, taking care of ourselves (body, mind & soul), working to be future leaders, to give ourselves for projects and join in class discussion.

If a child poses a consistent discipline problem in the classroom, the child will be sent to the office and parents will be notified. Secondly, the catechist, student, and director will meet and discuss a solution. Thirdly, parents will be asked to come and work out options for the student (parents may even be asked to sit in on the class) If all else fails, parents will be asked to teach the child at home and turn

homework in weekly. A student may re-enter the program when the parents have resolved the situation.

LOST AND FOUND

Items left behind by students will be put in the lost and found locker at school. At the end of the year unclaimed items will be donated to the needy.

DRESS CODE

Dress for students must be appropriate for a school model religious education program. No hats should be worn in the building or during class. Shoes and shirts should be worn and shirts should not have inappropriate verses on them.

FIELD TRIPS

PARENTS WILL BE NOTIFIED when a fieldtrip is planned. Diocesan parent consent forms and volunteer forms need to be filled out for all activities per our legal department for all activities away from the school.

PRAYER AND THE LITURGY OF THE MASS

PRAYER IS CENTRAL TO OUR GROWTH AND DEVELOPMENT AS CHRISTIANS. As an important part of Christian family living, prayer should be encouraged and practiced at home.. Formal and informal prayer will be taught in the classroom, but will need to become part of the child's life at home. Parents have a responsibility to help students memorize formal prayers. A list of required prayers will be made available to each student and family. Students and families are asked to take an active part in the liturgy and volunteer for different liturgical ministries such as acolytes (mass servers), lectors, ushers, greeters, choir members, gift bearers, Eucharistic Ministers.....
