Look What We're Studying...

This week the students continued to learn about the letter Tt.

If you choose to... students may bring Valentines for the whole class on Monday or Tuesday next week. There are two ways to send in the Valentines. The first option is to address and sign the Valentines. The second option is to just sign each Valentine.

I will attach a class list with this newsletter and you may decide what works best for your family. The students will create Valentines bags at school on Monday.
